OPTION 2 THE WINERY'S PARK AREA

James Arthur Vineyards has a park area located to the south of the winery that will be made available for outdoor weddings. The park is situated very near to JAV's vineyards. The bride and groom (or designated wedding planner) will work closely with JAV staff to work out the details of the ceremony. However, it will be the responsibility of the bride and groom to make the necessary arrangements for the wedding ceremony which can include rental of chairs, tents, porta potties etc.

All wedding ceremonies taking place in JAV's park area will be held during the winery's normal operating hours unless other arrangements are made with JAV staff. The space can hold up to 200 invited guests. However, JAV does not have a facility that can accommodate that many guests in case of inclement weather.

The cost for a wedding to be held in JAV's park area will be \$700 plus sales tax. This includes a 3-hour rental of the area (which includes the ceremony and time for photos), and any staffing requirements. As part of the rental agreement, JAV will make sure the park will be mowed and well maintained. Parking is available directly to the east of the park area. That field will be mowed as well.

A wine toast can be arranged for the wedding party and invited guests. The wine toast will include a ½-glass pour to all guests over the age of 21 of select JAV wines, with lemonade or iced tea provided for those underage or not drinking wine. The wine toast charge will be added on to the final bill based on the retail price per bottles used.

A \$300.00 deposit is needed to reserve the space. To check on available dates please contact James Arthur Vineyards will reserve the date of your wedding when the deposit and this contract are received. If no damage to JAV's facilities or grounds occurs, the deposit will be applied to the final bill. If the wedding is moved or canceled because of inclement weather, the deposit will be returned.

Absolutely **NO** other alcoholic beverages can be brought on to the property of James Arthur Vineyards at any time. Any individual that possesses any alcoholic beverage that JAV did not produce will be required to leave the property, the alcohol will be confiscated, and the deposit will be forfeited. There is no exception to this rule.

All children in attendance must be monitored at all times. Your \$300.00 deposit will be retained by JAV if any property is damaged by any invited guests, including children. Also, no one is allowed downstairs in the production facility for any reason. A room will be made available if the bride and groom need a dressing room.

If an officiant for the ceremony is needed, JAV can provide that service for \$50.00.
